NOTE: A public comment period is a time that the City Council provides to hear from the public, with an emphasis on comments on matters that are within the scope of the municipality's business and/or the agenda for the meeting. Council is interested in hearing from you not only in a public comment period but would encourage those who would like specific action taken or questions answered to visit City Hall during normal business hours. City Hall is open from 8:30 a.m. to 5:00 p.m. You may also contact your elected officials directly and find their information and other staff members' contact information on the City's publicly available website. To help facilitate resolution to any concerns, please make sure to sign in and leave your name and address on record with the City Clerk to Council so that matters requiring further investigation can be referred to the appropriate personnel. Remember, this is a business meeting, and comments at the public comment period are limited to two minutes per person, and uncivil, contentious, or disruptive comments cannot be entertained.
